

## Important information for applicants

Please note that this agency **does not accept an application unless you have inspected the property.**

If inspection times are not listed on the ad, please complete the enquiry form to arrange for a time. When you send your enquiry, you can attach your Renter Resume so the Property Manager knows a bit more about you when you attend the inspection.

If you have inspected this property and didn't receive an application form from the property manager, or you are unable to attend the inspection, please let them know this in your enquiry message.
