

Important information for applicants

Please contact this agent using the **Enquire** button on the ad to arrange for them to send you their tenant application form. **They may request that you inspect the property first before providing you with the form.**

If inspection times are not listed on the ad, please press Enquire to arrange for a time. When you send your enquiry, you can attach your Renter Resume so the Property Manager knows a bit more about you when you attend the inspection.

Once you have inspected the property, please speak to the Property Manager for application guidelines.
